Dear Lisa,

This letter is to confirm that Superior Essex has approved the TestPro CV100 Multifunction Cable Tester to be used in testing Superior Essex copper connectivity solutions for both Channel and Permanent Link configurations for Cat5e, Cat6, and Cat6A performance with the firmware version 1.2 or later.

Superior Essex also accepts the test results provided by this tester for all Superior Essex warranty programs as long as the tester is properly maintained and calibrated per the manufacturer's guidelines.

Sincerely,

Ron Stanko
